EFSLE COVID CARE

Since last year the whole world has been suffering from the universal pandemic COVID-19. India, in its second phase, proved to be one of the most affected countries as the casualty rose up unexpectedly. We all are experiencing the worst phase filled with fear, trauma and uncertainties. Especially, the workers, whose livelihood was completely dependent on their daily wages, are the most vulnerable ones. Due to the uncertain duration of lockdown their survival is at stake as they are not capable to bring home the bacon. The situation is worst in the Metro cities like Delhi and Mumbai as the maximum number of migrant workers is the highest in these cities.

Considering THE NEED OF THE HOUR, EFSLE decides to bring some hope to these families so that their children and other family members won't sleep empty stomach.

Though our primary concern has been always ENVIRONMENT, but the moment is of such a crisis where one's survival is in peril (Indeed, the humans' survival is also one of the most significant concerns of our ecosystem).

Eventually EFSLE begins the **RAW FOOD MATERIAL (RATION) DISTRIBUTION CAMPAIGN** initially targeting 200 families in different locations of South Delhi. We are planning to maintain the supply for at least three months – June, July and August 2021.

The families of these areas will be covered under this campaign:

1. Munirka Slums
2. Vasant Vihar Village
3. Masoodpur
4. Mehrauli

5. Hauz Rani
6. Adhchini
7. Beghampur
8. Katwaria Sarai
9. Kalu Sarai
10. Kishangarh

Our volunteers will go door-to-door in these locations and hand over the ration packets to the needy ones. Each location will be visited by a group of 2-3 volunteers maintaining physical-distancing norms wearing masks and gloves with well-sanitized ration packets containing all the basic items such as Rice, Wheat-Flour, Pulses, Oil, Spices, Salt and other essential things in addition to ₹1000/- per family.

The families of the following target groups will be the beneficiaries of this campaign:

- Migrant Labourers
- Construction Workers
- Daily Wagers

Undoubtedly, this is a big responsibility and challenge too. To meet this goal we are looking for individuals' support. In this pandemic time, we understand that it's not viable for all of us to spend any huge amount. That's why it would be feasible for everyone to contribute for the genuine cause within their comfortable zone choosing any amount out of the following slabs:

- A. ₹200 - ₹499**
- B. ₹500 – ₹999**
- C. ₹1000 & Above**

Dear Friends! It's high time. Let's join our hands and do fulfill the most basic need (i.e., food) of those who are deprived and impoverished due to this pandemic.
